

## EWG Invitation

This message is sent on behalf of Germany

<b>Title</b>	Revision of the guidelines on measurement uncertainty (CAC/GL 54-2004)
<b>Committee</b>	CCMAS
<b>Session</b>	38 <sup>th</sup>
<b>Chair of EWG</b>	Germany
<b>Co-Chairs</b>	None
<b>Working Languages</b>	English
<b>Description of work</b>	

- Preparation of a project document that indicates which amendments and improvements should be identified and used in GL54.
- Revision of GL54 considering the identified areas of improvement and technical and other amendments taking into account the need to simplify the content.
- Elaboration of an information document with examples of procedures for estimating measurement uncertainty.

<b>Timetable for work</b>	Will be made available later to members of the EWG
<b>Email for registration</b>	<a href="mailto:katrin.franks@bvl.bund.de">katrin.franks@bvl.bund.de</a>
<b>Registration deadline</b>	31.09.2017
<b>EWG online platform</b>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>

Codex Members and Observers are invited to register their experts for this EWG. When there is more than one expert, each country or observer organization shall designate **one** as the official representative to participate in the EWG.

Applications should be sent through the Codex Contact Point of the member or recognized observer organization in an email detailing:

- participants name,
- organization or country
- email

The EWG platform will require members to login. New participants to the platform will be provided with the link once their credentials have been verified by the working group leaders. Those participants who have previously registered on the platform will be provided with the EWG name so they can request to join.
